## ABOUT THE EVENT

AGE Vietnam is a symbol of the widespread of gaming industry including not only the land based channels but also the online channels all across the division. AGE Vietnam provides unique opportunity through conference and exhibition, for the industry to plunge deeper into gaming by gaining education about the subject, interacting with the related people as well as exchange ideas with the said people that help the regulators, the supply and demand, the third parties, opinion formers and the industry leader to all come together and form a strong bases of the gaming industry. The magnitude and scale of the AGE Vietnam pushes it to act as a leading industry that not only provides quantity of audiences but also the quality of the audience that result in consequent networking as well as business development opportunities. The gaming industry is ever growing and establishing itself in countries including Africa, Asia and Eastern Europe. AGE Vietnam provides the opportunity for your business to take advantage of this pillar of strength and thrive in the business.

### Casino industry keeps a close eye on emerging Vietnamese market

Trinh Van Quyet is betting \$2bn that the Vietnam government's new legalisation allowing locals to gamble will pay off big. However, the company still faces a major hurdle as the government has not yet indicated if the new venue will be one of the locations where nationals are allowed to gamble.

## Macau Junket Suncity Group Behind \$4 Billion Vietnam Casino Resort

Suncity Group, one of Macau's most successful junket operators, is taking some of its profits and leading a \$4 billion casino resort development project in Vietnam.

Along with two investment firms, Suncity is developing a two-mile stretch of coastline in central Vietnam.

The 2,400-acre integrated casino resort complex is to feature retail shopping, restaurants, golf course designed by Robert Trent Jones II, condos and villa residences, and multiple water parks.
